Remarks

Serious enthusiasts recognize Intrepid boats as the king of center consoles for high quality construction, fit and finish and performance. This 'rocket ship' was purchased by a savvy owner with a history of Intrepid ownership. After seatrialing all the competitive models (including Boston Whaler), this Nomad 375 was decidedly the clear winner for a non-obtrusive hole shot and a super comfortable ride in more than light conditions.

"Bravo Alpha" was purchased in the spring of 2024 and then **'tricked out' with the latest Garmin electronics including a new Starlink broadband wifi system.**

These Mercury 300 V8's are the latest line-up offered by Mercury and compare performance wise to the 400's. They are the latest rave for super performance with a relatively light weight and exceptional durability. **Note the extended Platinum warranty!**
